May 2024 Newsletter

Message from the Principal:

Hello parents and guardians,

May is certainly a fun filled month. As you know, track-and-field is in full progress and many of our students are putting in extra effort to really challenge themselves and are seeing great results. CHL (Cobra Hockey League) has been popular this spring and is a fun tradition that continues for intramurals at our school. Go, Cobras! (And Go Canucks!).

May 6th, we held our Jump Rope for Heart event. Many thanks to Ms. Patterson for all her work organizing to make that a success. May 7, we had a presentation of Rockology to the entire school. May 9th, we have our schoolwide Track and Field event. Many thanks to Mr. Bregoliss for all of his time and organizing the day as well as the schedule of practice times for which all intermediate teachers used for extra learning and practice opportunities for our intermediate students. There will be a PAC sponsored concession stand for the day, which will be located outside the library in our courtyard. As per previous information sent to you, pre-sales end on the evening of May 8th. However, there will be some opportunities for on-site purchases as well. May 10th we host a presentation titled Visions of Turtle Island by Tribal Vision Dance Productions. We have a spirit day on May 16th for Jersey Day (I imagine we will see a lot of Canucks jerseys). On May 21st, we will host our first SPARKS event for our soon to be Cobra Kindies, as we help create a smooth transition for the class of 2037. Wow, can you believe that! May 23rd, we have a circus arts meets science presentation titled Fizzickal Fizzicks and on May 29th we hold a Grandfather Teachings Assembly. Thank you for all you do as partners on your child's education.

With gratitude,

Your Proud Principal
Kirsten Farquhar.

Arthur Stevenson Elementary School – You Belong Here!
